

TUNZ Policy: Tournament Participation

Introduction

This policy has been developed to provide clarity to Tournament Directors on the participation of Taekwondo/Martial Art Clubs in TUNZ tournaments.

Scope

This policy applies to all Tournament Directors who are holding an approved TUNZ tournament within their region in partnership with TUNZ and should be read in conjunction with the TUNZ Tournament Agreement Policy.

Summary

As part of TUNZ membership, all member clubs will be invited to attend any of the regional or national tournaments held by the organisation. In addition, TUNZ will also invite, at the same cost, New Zealand Elite Taekwondo (NZETKD) clubs who are paid members.

TUNZ may invite other organisations to participate in tournaments who are not affiliated with either TUNZ or NZETKD, to promote Taekwondo and build unity through participation.

Procedure

Non TUNZ or NZETKD clubs will not be invited unless Tournament Directors make a request to the TUNZ Executive Council for approval. On approval, Tournament Directors will be informed and the invite and tournament pack will be sent by the TUNZ Secretary.

TUNZ will also work with the Tournament Directors to nominate clubs to participate who have a close affiliation with TUNZ where it is to the benefit of all parties.

Consideration will be given by the TUNZ Executive Council to any club or individual who asks to participate in a TUNZ tournament who is not a member of TUNZ or NZETKD. An entry pack will be sent to the club or individual if approved by the Executive Council.
