Welcome from the Taekwondo Union of New Zealand President

Dear Instructor

It is with great pleasure that we invite you and your members to participate in the 2022 TUNZ North Island Championship, which will be hosted by New Plymouth Taekwondo Club and is being held on 16 July, at YMCA Taranaki, 83 Liardet Street, New Plymouth.

This is a one day event and will include Kyorugi (sparring), Poomsae (individual, pairs and teams), Para Kyorugi and Para Poomsae (individual, pairs and teams), as well as a jumping front kick competition. Para athletes have the choice of competing in para divisions or in regular competition divisions.

This tournament is a TNZ Recognised event and TNZ Player Points will be awarded in the following categories:

Kyorugi – Black belt Cadet, Junior and Open divisions

Poomsae – Black belt WT Cadet, Junior, Under 30 and Under 40 individual divisions

Competitors must be registered with TNZ to be eligible for player points.

The tournament is open to all WT players regardless of affiliation and as usual Union members will receive a discounted price on all events.

The Daedo electronic system will be used for all red and black belt Kyorugi divisions. Competitors in these divisions will need to supply their own Daedo sensor socks. These need to be purchased prior to the tournament as they will not be available to buy at the event.

Registrations should be managed by each club and submitted as per the instructions within this document by 5.00pm on **Friday 17 June**. **Late entries may be accepted but will incur a late fee of \$10 per person.**

Instructors will be given a competitors list on 6 July and will have until 5.00pm Friday 8 July to advise the organisers of any changes or alterations (due to incorrect weight etc or uncontested players). The final draw will be published on Friday 15 July.

If you need any assistance or require additional information, please contact the Technical Delegate.

Please respect the Public Health measures outlined in the “10 Golden Rules” that are posted in this tournament package. We want to keep everyone as safe as possible.

Best of luck to all the competitors and may I wish you all a successful and fun tournament.

Yours in Taekwondo

General Information

Jumping Front Kick Competition

The jumping front kick involves kicking a target on the jump kick machine or held by an individual.

- Competitors will be grouped in their ages and height on the day.
- Each competitor may have up to three attempts in total, once this is reached the competitor is eliminated.
- All athletes must land on their feet.

Uncontested Players

Uncontested players may elect to receive either a medal or a full refund (no administration fee will be charged). Players wishing to receive a medal are to be present in full dobok or club tracksuit when directed.

Medical Conditions

Players are advised to inform their coach of any relevant health information for the purposes of treatment. Instructors are advised that they should maintain appropriate emergency contact details for their players. A registered nurse practitioner will be onsite to provide any medical care to players throughout the tournament. If a player has a medical condition which may affect their ability to compete safely this must be disclosed to the organisers at the time of entry so that a determination can be made about whether the entry will be accepted.

Protests

The WT card protest process will be in place for the Kyorugi matches. Each match will have an automatic quota of one protest per player.

Under no circumstances are any other Kyorugi officials to be approached in relation to a protest.

Team Coaches and Managers' Meeting

A coaches' briefing meeting will occur 30 minutes prior to the start time of competition. Coaches are required to attend briefings. During this meeting only the process of the day and rule clarifications will occur. The Technical Delegate will also announce any draw changes due to competitors' absence, and any match play changes required to accommodate these players.

Officials

Without the assistance of officials, we would be unable to host this tournament. In order to make sure we have enough officials we would like to ask that each club provide the name of at least one (more if possible) person who can be identified to assist as an official. If you are interested in being a referee, corner or pomsae judge, include your details on the team registration list or email nptkdtournament@hotmail.com directly.

- All officials will have lunch catered for them on the day, and there will be plenty provided to eat and drink during the day.
- A meeting for officials will be held at the venue on Saturday morning prior to the coaches' and managers' briefing. Please listen for the announcement.

We would like to thank in advance everyone who donates their time to be an official at this tournament.

Determining Age

Ages for both Kyorugi and Poomsae are as per WT rules, where the age is determined as at 31 December 2022. For example, a person born in 2010 will be deemed to be age 12 years regardless of whether they are born on the 1st of January or the 31st of December.

Individual Awards

Medals will be presented as close as possible to the respective divisions finishing for both Poomsae and Kyorugi. **Medallists must be dressed appropriately in either full dobok or full club uniform.** This will allow those who need to depart early to do so, without needing to stay the whole day.

Three medals will be presented per division for Kyorugi and Poomsae:

- Champion – Gold
- Runner-up – Silver
- Semi Finalist – Bronze

Jumping front kick will have one medal per division, divisions to be made up depending on entrants:

- Champion – Gold

TUNZ Trophy Awards

TUNZ Kyorugi Trophy

Will be presented to the club with the most points following the tally of all Kyorugi results from the day.

TUNZ Poomsae Trophy

Will be presented to the club with the most points following the tally of all Poomsae results from the day.

Points will be determined as follows: Gold 3 points, Silver 2 points, Bronze 1 point.

Kyorugi Information

Kyorugi Competition Rules

- [WT Kyorugi Competition Rules June 2022](#) will apply. An abridged version of the rules can be found [here](#).
- TNZ Player Points will be awarded in the Black Belt Cadet, Junior and Open divisions. Competitors must be registered with TNZ to be eligible for player points.
- Except for Player Points divisions, there will be no video review. Review will be consensus between judges, referee and jury.

Kyorugi Coaches

Coaches must be identified on the team entry form, and the organisers will provide them with accreditation. **Only accredited coaches will be permitted entry to the official marshalling area and Kyorugi courts.**

A coaches' briefing will occur 30 minutes prior to the start time of competition. Coaches are required to attend briefings. During this briefing only the process of the day and rule clarifications will occur. This meeting will not provide opportunity to make match plays or changes to the draw.

Coaches are expected to behave in a respectful manner to players and officials at all times. Only one warning will be issued to a coach if their behaviour is deemed unacceptable. Upon receiving a second warning, that coach will have their accreditation removed and thus will no longer be permitted to act as a coach for the remainder of the tournament.

It is the coach's responsibility to ensure their player is ready to commence their fight. It is highly advisable that coaches ensure their players have transitioned into the official marshalling area at least four fights in advance of their fight number.

A maximum of two (2) calls to the field of play will be given. If a player is not ready with their coach at the commencement of their fight, the fight will be cancelled. No match play will be provided.

Kyorugi Coloured Belt Divisions

Every effort is made to match players based on the weight, height, grade and age, as well as classification groups for para athletes, as submitted on the entry form. All details on the entry form are to be checked by the Club Instructor to ensure that the competitor can be entered into the correct division. Para athletes have the choice of competing in para divisions or in regular competition divisions.

Instructors will be contacted if there is no suitable competitor available, and to have a discussion on what options may be available to provide a match for the competitor.

Weigh-In for Kyorugi Competitors

It is the responsibility of each Instructor to check the weight, height, age and grade of their competitors, and to ensure the entry forms are completed correctly. After this it then becomes the responsibility of the player to make the correct weight for the division that they have been entered into. Black belt competitors who fail to make weight will be disqualified. All Kyorugi competitors are required to weigh in. There will be two opportunities for competitors to weigh in, either Friday evening 6.00 - 8.00pm or Saturday morning from 7.30 - 9.00am.

We encourage as many teams as possible to weigh-in on Friday evening, as this will greatly assist the organisers. If a competitor fails to make weight they have until the end of that weigh-in session to try a second time to make weight. If a competitor is concerned about their weight, they should weigh-in early, as weigh-in will close at 8.00pm on Friday and 9.00am on Saturday.

Please note: Any competitor that fails to weigh-in WILL be disqualified. Black belt competitors failing to pass the weigh-in WILL be disqualified.

Safety Equipment

- Sparring athletes must wear WT approved full colour chest protector, head guard (matching colour or white), groin, shin, arm guards and gloves.
- Mouth guards are compulsory for everyone and must be white or clear (NO EXCEPTIONS).
- **Red and Black belt divisions**
 - Require Daedo electronic foot protectors. Internet supplier of Daedo equipment in New Zealand is [Auckland Martial Arts Supplies](#)
 - The organisers will provide the electronic chest guards to use, and electronic head guards for head kick divisions.

Equipment Checks

To ensure the smooth transition of fighters and to ensure we have a safe tournament, each competitor will be required to pass through the official equipment inspection area.

Players must arrive wearing all their safety equipment ready for their fight, this includes groin guard (under their dobok) in preparation for inspection. Players will only be passed through to the marshalling area once they have passed the equipment inspection.

Marshalling Area

Only accredited coaches and players will be permitted entry into the official marshalling area and Kyorugi courts. There will be plenty of space in this area to allow players to stay warm and continue pad work with their coaches.

Players will be sat at their court immediately when the fight prior to them has started. Seats will be provided for up to three fights in the bus area per court. The purpose of this is to ensure no time is wasted between fights while waiting for players to get ready.

Both players and coaches are to listen and follow the instructions of the Marshalling Area Coordinator to ensure they don't miss their fight. Players will only be called two (2) times, and if they don't report to the Marshalling Area Coordinator, they will be disqualified.

Head Kicks

When the NO HEAD KICK rule applies, a head kick, either intentional or through lack of caution, will be treated as a prohibited act with the same penalty as Article 14 rule 4.1.8 (hitting the opponent's head with the hand). A gamjeom (deduction point), or disqualification will be applied.
